ROOTED IN THE WORD MADE FLESH

FR. DAN
Pastor

St. Thomas More, pray for us! St. Thomas More Newman Center, here we come! I'm delighted to get started in my time with you as your Pastor! And I'm delighted to work with Fr. Paul Clark as the new Associate. Please be patient with both of us as we throw ourselves into life here at Newman, getting to know you and sharing some of ourselves with you. One thing you'll learn about me is that I love the Word of God — both THE Word of God, the person, Jesus Christ, and the scriptural word of God that inspires and norms our Christian lives.

The scripture readings for the 14th Sunday of Ordinary Time ("Ordinary" in the sense of ordering our lives) have a couple of beautiful lessons I want to share with you as we begin our time together. The responsorial Psalm (Ps. 145) proclaims, *"The LORD is gracious and merciful, slow to anger and of great kindness. The LORD is good to all and compassionate toward all his works."* Have you ever wondered how God can be SO patient, gracious, kind, compassionate ... toward everyone? Doesn't He get mad or exasperated once in a while? The scripture does talk about the "wrath" of God, but that really refers to the justice of God, not that He's angry. Remember, God IS love. I think the reason He can be so patient, slow to anger, etc., is precisely because He is Almighty. In the creed, we pray I believe in God the Father, Almighty. He has nothing to fear from us or anyone or anything. And when we see His total Might from the perspective of His nature AS Love ... well, we get the God of the Psalmist, and the God of Jesus Christ.

The second thing to share is a perspective on faith and science that's inspired from Sunday's second reading from Romans. I've recently done some reading on physics and superstring theory — quite a bit out of my league I must admit, but interesting, nonetheless. The particular author I read made a passing attempt at keeping an open mind to God, but it was obvious he was more comfortable as a thorough going materialist: his only creed was the laws of physics, and his only reality was the natural world. Superstring theory is making waves as a theory to explain much, if not most of the physical phenomena in our world, but the author's vision of it had to make plenty of assumptions in order to keep God superfluous. And he would have no idea how to handle St. Paul's letter to the Romans: *"You are not in the flesh; on the contrary, you are in the spirit, if only the Spirit of God dwells in you. Whoever does not have the Spirit of Christ does not belong to him. If the Spirit of the one who raised Jesus from the dead dwells in you, the one who raised Christ from the dead will give life to your mortal bodies also, through his Spirit that dwells in you."*

In three verses, St. Paul mentions Spirit six times. I'm sure St. Paul would not be opposed to the physical sciences or even superstring theory — our spiritual religion is rooted in the Word made flesh. But St. Paul would gently remind all of us that the flesh of the Word has been spiritualized! In the resurrection, the flesh of Jesus was transformed by a new power, currently under the radar of many physical scientists: the power of the Holy Spirit. Sadly, many of us live only half lives. We live in the flesh, neglecting the other part of our human nature that is spirit. But there is part of our flesh that yearns for the guidance and transformation of the spirit.

As your Pastor, I want to lead, push, and pull us to live the fullness of our human nature, body and spirit. And I will strive to the best of my ability to be a doctor of the spirit, raising our spiritual awareness so that we can walk together in the Spirit! Pray for me and be assured of my prayer for you. Holy Spirit, come!

Fr. Dan

THOUGHT FOR THE WEEK

But the seed sown on rich soil is the one who hears the word and understands it, who indeed bears fruit and yields a hundred or sixty or thirty fold

July 12 | 15th Sunday in Ordinary Time

Isaiah 55:10-11; Psalm 65

Romans 8:18-23; Matthew 13:1-23

WE PRAY

for our Newman Community

For those who are sick.

For our beloved dead. Eternal rest grant unto them and let perpetual light shine upon them. May they rest in peace. Amen.

Pope Francis' July Prayer Intention: We pray that today's families may be accompanied with love, respect and guidance.

Bishop McKnight's July Prayer Intention: For the unity of our country: that the God of truth may open our hearts to the truth of the Gospel, that peace may rule our hearts, and that justice may guide our nation of one people of many races.

Call the Parish Office to request prayers or assistance if you are homebound. Names will be listed in the bulletin for two weeks.

Prayer to the Immaculate Heart of Mary for Protection from the Coronavirus

O Immaculate Heart of Mary, we entrust ourselves to you, Health of the Sick. At the foot of the Cross, you participated in Jesus' pain, with steadfast faith. Patroness of the Diocese of Jefferson City, you know what we need. We are certain of the power of your intercession, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who taught us to "love one another, as I have loved you" took our sufferings upon Himself and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Bring under your mantle of protection all who provide care for the sick and minister to their needs, as your Son implores us to do for one another.

V. We seek refuge under your protection, O Holy Mother of God.

R. Do not despise our pleas and deliver us from every danger, O glorious and blessed Virgin. Amen.

COVID-19 Spiritual Adoption

If you or your prayer group would like to spiritually adopt an individual or family within our diocese that has been affected by the coronavirus, please contact Erin Boeckmann at eboeckmann@diojeffcity.org. Only first names of those affected by the virus will be shared. (With the individuals' permission, send the first names only of anyone seeking prayers to LeAnn Korsmeyer, director of Parish and Charitable Services, at lkorsmeyer@diojeffcity.org.)

COVID-19: A Prayer of Solidarity

Especially, Lord, we lift up _____. May s(he) feel Your power of healing through the care of doctors and nurses. Take away the fear, anxiety, and feelings of isolation as they receive treatment or under quarantine. Give them a sense of purpose in pursuing health and protecting others from exposure to the disease. Protect their families and friends and bring peace to all who love them.

Prayer for a Communion of Desire

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, renew my heart now with the power of Your Spirit. I embrace You and unite myself wholly to You. Unite me more closely to Your Body, the Church. And never permit me to be separated from You. Amen.

In the Bishop's instructions to the faithful of the diocese, he has asked us to continue our Sunday offertory tithe by postal mail or electronic means. NEWMAN NEWS

THANK YOU FROM FR. RICH

Frankly, the cards and gifts are a bit overwhelming. And "thank you" never seems to convey the depth of the emotion that they call forth. Each of you have given a piece of themselves to me, for safe keeping; and my promise is that I will indeed treasure each of you in my heart! Being Servant Leader at Newman was a privilege and I'm grateful to the Holy Triune God for the gifts that helped me to minister to this community. My formation as a priest continues, and my time at Newman will be an integral part of that growth. Newman is a special place, and it holds a large part of my heart in its history.

I am grateful to each of you for your cards and gifts.

Blessings in Dominic and Catherine!

BISHOP MCKNIGHT'S HOMILY ON RACISM

Last Sunday, we celebrated the feast of the Immaculate Heart of Mary, the diocesan patroness. Bishop Shawn McKnight's homily at the Cathedral of St. Joseph, calls on Catholics to purify their hearts of the evil of racism, through our devotion to Mary. You can read the text of the homily or watch the video (go to the 24:55 minute marker for the beginning of the homily) at the Diocese's website, www.diojeffcity.org (scroll down to "Latest News & Events and click on "Addressing racism through the Immaculate Heart of Mary").

NEWMAN SUMMER BLOOD DRIVE

Sunday
July, 26

MPR | 8 a.m. to 2 p.m.

ALL BLOOD DONATIONS INCLUDE COVID ANTIBODY TEST

All blood donors at Newman's summer blood drive will have their blood tested for the COVID-19 antibody. This test tells whether a donor's immune system has produced antibodies to the coronavirus even if they hadn't developed symptoms. It is not a test to diagnose an illness, and you should not present to donate blood if you are not feeling perfectly well. The blood donation process will not change, and your blood will be tested using samples obtained at the time of the donation. Donors can expect to receive results in 7 to 10 days.

Because of COVID-19, our blood drive will **not** have a physical "Sign-Up Weekend." Also scheduling will be very important so that there will be fewer persons in the room at one time. Please use the Newman sign-up page to access the sign-up schedule or go to RedCrossBlood.org. We aren't actually discouraging "walk-ins," but it would be better to schedule a time (even if you are unsure that you will be able to keep it). Like most summers, there is already an urgent need for blood. Because of many special procedures, the Red Cross assures us of a safe blood drive on Sunday, July 26, from 8 a.m. to 2 p.m. in the MPR.
